

Using LINKcat to find and request DeForest Area Public Library materials

The screenshot displays the LINKcat library website interface. At the top, the LINKcat logo is on the left, and a search bar contains the text "harry potter goblet of fire". Below the search bar, a navigation menu includes "Home", "Advanced Search", "New This Week", "Mobile", "Help", "Online Resources", "Don't Miss Lists", "Newspapers", and "OverDrive".

The search results page shows "You searched for (harry potter goblet of fire) sorted by Relevance". A sidebar on the left lists libraries available on the shelf, with "DeForest Library (6)" circled in red. The main content area displays search results for "Harry Potter and the goblet of fire" by Rowling, J. K., with details such as format (Book), publisher (Scholastic Inc.), and edition (First illustrated edition). A "Place hold" button is visible next to the first result.

A modal window titled "Place hold on Harry Potter and the goblet of fire" is overlaid on the page. It shows the book cover and details. A "Pick up at" dropdown menu is circled in red, with "DeForest Library" selected. A "Place hold" button is also present in the modal.

The browser's address bar shows the URL: `linkcat.info/app/search/(harry%20potter%20goblet%20of%20fire)`.
